and pepper to taste. Check that the rice is cooked. It should be tender but still somewhat firm to the bite.

Add the lobster meat just before the last addition of stock. Heat the lobster through and add more stock or water if necessary until the rice is done.

To serve, add the remaining 2 tablespoons of butter to the pan and stir to make a velvety sauce. Add the Parmesan cheese and stir to combine and melt into the rice mixture. Correct the seasoning and serve in warm bowls.

### Wine Pairing

Mueller "LB" Russian River Valley 2005 Chardonnay

### Signature Cocktail

If you like the taste of Key Lime Pie, you won't believe how dangerously delicious Hamersley's Key Lime Martini is, but be very careful, as this vanilla-citrus combination goes down too easily and will disappear before you know it.

### Hamersley's Key Lime Martini

3 ounces Stoli Vanilla  
 Splash of lime juice  
 Splash of Rose's lime juice  
 Splash of Cointreau

Pour all ingredients into a shaker of ice and shake vigorously for 20 seconds. Serve in a martini glass with a slice of fresh lime.

stantly trash-strewn.

The amendment must be approved by the Boston Redevelopment Authority and the Boston Zoning Commission to become law. Rick Shaklik, deputy director of zoning for the BRA, said he supported the zoning change and would recommend that it be passed.
